MINUTES

MEDICAL STAFF CAREER SERVICE BOARD MEETING
Thursday, 7 March 1957

Present: C/MS - Chairman Dr. Tietjen
C/PD - Voting Member Dr. [REDACTED]
C/PCD - Voting Member Dr. [REDACTED]
C/TSD - Voting Member Dr. [REDACTED]
Personnel Placement Officer Mis [REDACTED] 25X1A9a
C/ASD - Executive Secretary Mr. [REDACTED]
DC/ASD - Advisor Mr. [REDACTED]
Secretary to C/MS - Recording Secretary Mis [REDACTED]

At this special meeting, C/MS asked the Members to consider only the assignment of a GS-9 Medical Technician (Supply) to [REDACTED] 25X1A6a

25X1A6a It was noted that at the Career Service Board Meeting of 27 February 1957, it was agreed to hold a meeting to decide the appropriateness of upgrading this position to GS-11. At this meeting, held on 28 February, it was agreed that the Senior Far East Medical Administrative Officer would be better located in [REDACTED] and that, through such a move, additional supply responsibilities would be involved in the position under consideration. It was felt, therefore, that the position might be upgraded and C/ASD has initiated appropriate action with the Office of Personnel.

25X1A9a [REDACTED] GS-9, Medical Technician (Supply), who had been
25X1A9a nominated to this position, was informed of the decision. The Executive
25X1A9a Secretary reviewed a memorandum from Mr. [REDACTED] stating he would accept the position if the Board assured him that he would receive the GS-11 rating when the position had been upgraded. The Board was requested to consider the assignment of Mr. [REDACTED] and also a reply to his memorandum.

25X1A9a C/TSD, C/ASD, and DC/ASD voted against the assignment, feeling
25X1A9a that Mr. [REDACTED] had placed the Board in the position of promising a promotion before the action of upgrading the slot is approved. C/PCD and
25X1A9a C/PD felt that the Board could easily assure Mr. [REDACTED] that he would receive consideration for the promotion and, at the same time, inform him that such a request would have to be initiated in the field.

25X1A9a After further consideration, the Board decided to reply to Mr. [REDACTED]
25X1A9a to the effect that the Board cannot give assurance that he will receive the grade of GS-11; however, he will receive consideration if and when the position is upgraded. C/MS will prepare the memorandum to Mr. [REDACTED]
